LAUREL, MD 20709

RE: Contract No. BT/CR5268A11 Subdivision Name: **Montpelier**

We're happy to advise you that we will be rehabilitating the **water main** infrastructure in your neighborhood. This letter provides you with important information about the upcoming construction.

- The Contractor for this project is Taylor Utilities.
- Work will begin on or after **02-09-2015**, and is estimated to be completed prior to **05-13-16**.
- The WSSC contact person and Contract Manager for this project is:
 - a. Ed Steele
 - b. Office #: 301-206-4320
 - c. Cell Phone #: 240-461-6414
 - d. Edgar.Steele@wsscwater.com
- For emergency service anytime day or night, 365 days per year, please contact the **WSSC's 24-hour Customer Care Emergency Service at 301-206-4002**.

Please direct inquiries regarding this project to Jeff Landry, our on-site Field Inspector, at 443-790-3964, or contact me as indicated above. As the job progresses and we complete this work, your cooperation and understanding will be greatly appreciated. Service excellence is our number one priority.

Sincerely yours,

Ed Steele
Contract Manager
